What to include in a brochure like this?

We know you could go on for hours about how great your business is. (And we don’t blame you—you’re amazing!)

But since you need to keep it short and sweet here, maybe try a summary of competitive benefits at left and a brief success story here in the middle.

The right side of this page is perfect for those glowing testimonials and a list of key products or services.

Focus on what you do best!

“You can’t imagine anyone living without you.”
— Very smart customer

“We recommend your company to anyone who will listen to us because you are fantastic!”
— Another happy customer

• Don’t be shy! Show them how fabulous you are. List or summarize key points here about what you do. And here’s one more tip for the road…

Make it picture perfect

If you replace a photo with your own and it’s not a flawless fit for the space, you can crop it to fit in almost no time.

• Just select the picture and then, on the Picture Tools Format tab, click Crop.
