

Reflection Paper (title of your paper)

Susan C. Davidson (your first name, middle initial, last name)

N4510 Conceptual Thinking (course number and name)

February 20, 2014 (due date of the paper)

APA Format uses Times New Roman 12 pt font

The content of the title page should be centered in the upper half of the page

The running head should be as it appears above on the title page (on all the subsequent pages of the paper, it should just have REFLECTION PAPER as the running head, do not include the actual words “running head” anywhere but on the title page)(the actual running head will always be in all upper case letters)

On papers where there is a group of people as the authors, put the authors in alphabetical order by last name in a centered list; using first name, middle initial, and last name format
