COMMUNICATION

Your voice is powerful! Allowing others, including parents, to advocate for you in a conflict does not mean the conflict is resolved or over. You are your own best advocate in these situations. Please note that the best way to resolve conflict is by speaking face to face. Notes on white boards, social media tools, texts, delivery via friends, etc. are not recommended means to resolve conflict. If we have issues or concerns with one another we will:

ALCOHOL & OTHER DRUGS

We know that individual choices around alcohol and drug use sometimes cause roommate conflicts. Sometimes these conflicts arise over storing or using alcohol and/or other drugs in the room and sometimes these conflicts are due to inconsiderate behavior when students return to the room under the influence. Keeping in mind University Housing policy and state law, we encourage you to have an honest conversation with your roommate about your expectations for behavior in your shared space related to these matters. Being under the influence of alcohol and/or other drugs is no excuse for disrespectful behavior towards your roommate or for creating an unsafe situation in your room. Please know that Housing staff will document all alcohol and/or other drug violations which we observe and that both room owners can be held accountable for policy violations in the shared room.

ALCOHOL & DRUG POLICY REVIEW:

Alcohol is not permitted in rooms where both residents are under the age of 21. This includes alcohol brought in by guests over the age of 21. Rooms where 1 roommate is over the age of 21 should refer to the student handbook for more information. Games generally associated with over-consumption of alcohol are not permitted. Marijuana and other illegal drugs are also not permitted in University Residence Halls. Consult the Policies & Procedures to learn more information at www.life.arizona.edu/policiesandprocedures

YOU DESERVE RESPECT

Policies and procedures are established to assist in shaping the Residence Hall environment to protect your rights, and to define your responsibilities to others. You are expected to abide by local, state and federal laws, the University’s Non-Discrimination and Anti-Harassment Policy and Policies and Procedures for Hall Living http://equity.arizona.edu/non-discrimination_anti-harassment
