_____ Printed Name	_____ Signature				
_____ Title	_____ Date				

Instructions

Prepare a Certificate of Conformance (C of C) addressing each Purchase Order line item, Contract Deliverable, and/or each partial shipment. Unless otherwise specified, the C of C shall accompany each shipment. All applicable form entries must be completed.

A Supplier system-generated C of C may be attached and referenced. All applicable information required on this form shall be accounted for. Section A through Section C and Section F shall be completed in their entirety, regardless of any attachments used.

Definitions

Authorized Certifying Official. The certification shall be attested to by an authorized representative of the supplier; and the certification system, including the procedures for completing, reviewing, and approving the certificate shall be described in the Company's administrative control system or Quality Assurance program.

Certification. The act of determining, verifying, and attesting in writing to the qualifications of personnel, processes, procedures, or items in accordance with specified requirements.

Certificate of Conformance. A document signed or otherwise authenticated by an authorized individual certifying the degree to which items or services meet specified requirements.

10 CFR 820.11. Procedural Rules for DOE Nuclear Activities, Subpart "A", Information requirements. The regulation states: Any information pertaining to a nuclear activity provided to DOE by any person or maintained by any person for inspection by DOE shall be complete and accurate in all material respects.

No person involved in a DOE nuclear activity shall conceal or destroy any information concerning a violation of a DOE Nuclear Safety Requirement, a Nuclear Statute, or the Act.

Section A, Purchase Order (PO)/Contract Data

- Entry 1 Enter the complete BWXT Pantex Purchase Order (PO) or Contract Number.
- Entry 2 Enter PO/Contract Revision or Amendment Number (if applicable).
