

# LETTER OF INTENT

At the 2016 USBC Convention, delegates and athletes from all over the country voted to approve legislation pursuant to associations being required to merge. Per the approved legislation at the 2016 USBC Convention, all non-merged associations must merge with other associations in their area no later than August 1, 2018

- This Letter of Intent is required to be provided to USBC to ensure any non-merged associations remain affiliated with USBC. Failure to do so may result in USBC no longer recognizing the non-merged association.

By receipt of this Letter of Intent, USBC hereby recognizes the following associations:

intent to charter with the United States Bowling Congress (USBC) as a merged association.

Anticipated merger date:  August 1, 2017     August 1, 2018

**This letter must be submitted to USBC no later than August 1, 2017.**

The association further agrees it will complete the chartering process as outlined in the USBC Checklist for Merging Associations by no later than July 31, 2018. This process includes, but is not limited to:

1. Becoming a fully-chartered merged association
2. Complying with all USBC bylaws, policies and procedures
3. Incorporating (if applicable)
4. Continuing to serve bowlers throughout the merger process
