

PRAIRIE VIEW A&M UNIVERSITY
Non-Supervisory
Performance Review Form

PURPOSES OF PERFORMANCE REVIEWS:

Each performance review should be a positive and interactive process whereby both the Supervisor and the Employee that is being reviewed receives information about his or her success in meeting their job responsibilities. The Department can also learn about its strengths and weaknesses as the employer of that Employee. In general, the goal of the Supervisor is to conduct a performance review of each new employee at the end of the first sixth months of employment, at the end of the first year of service and annually thereafter.

Some specific purposes are to:

1. Identify specific indicators of achievement
2. Pinpoint areas of greatest/least effectiveness
3. Stimulate improved performance
4. Aid in promotion, retention and salary decisions
5. Develop mutually established goals
6. Increase employer-employee communication

Upon the completion of the Performance Review, the entire Performance Review form should be forwarded to the Office of Human Resources for review and to be permanently filed.

DEFINITIONS OF RATING TERMS:

(1)CONSISTENTLY BELOW EXPECTATIONS: Performance is at a level below established objectives with the result that overall contribution is marginal and substandard. Performance requires a high degree of supervision.

(2) BELOW EXPECTATIONS: Meets some of the established objectives and expectations but definite areas exist where achievement is substandard. Performance requires somewhat more than normal degree of direction and supervision.

(3) MEETS EXPECTATIONS: Meets established objectives in a satisfactory and adequate manner. Performance requires normal degree of supervision.

(4) EXCEEDS EXPECTATIONS: Accomplishments are above expected level or essential requirements.

(5)CONSISTENTLY EXCEEDS EXPECTATIONS: Job performance easily exceeds job requirements, performance approaches best possible attainment.

INSTRUCTIONS FOR PART 1, 2, 3 AND 4

To complete the PERFORMANCE REVIEW FORM:

1. Refer to the **Rating Key** and score the employee under the level of achievement which most accurately describes the employee's performance on each factor.
2. A final Total Score for sections 1 and 2 will populate for the employee based on the Rating Key entries.
3. All sections that include boxes must be checked to certify.
4. All "Total" boxes will be added at the end of scoring and the "Final Rating" will be the employee's Performance Evaluation Rating.

SETTING GOALS

The Goal sheet is attached to the end of the review. This sheet has been provided for you and your employee to set new goals for the upcoming year. It is required that the goals are then reviewed and agreed upon as achievable goals for review at the end of the year. In this section, these goals are usually suggested by the employee as goals they would like to achieve pertaining to their positions and areas of expertise. This is a great tool for you and your employee to express ideas concerning their job and department.
