

This vector Illustration was created by DownloadFreeVector.com and it's **100% royalty free** for **commercial purposes**. You can share it on your site with two backlinks - to DownloadFreeVector.com and to homepage of this vector freebie (use post title as a text for link). In my work I'm using free vector silhouettes and Illustrations from all-silhouettes.com and vectorlady.com (useful resources of free vector illustrations).

You are not allowed to share it without backlinks and sell it on stock sites as your own (take care about your karma).
