TITLE

Timeless

SETTING

Present-day city and alternate future timeline

CHARACTERS

Protagonist: Alex, a brilliant scientist
Antagonist: Dr. Morgan, Alex's former mentor

Love Interest: Lily, a talented musician

PLOT SUMMARY

Alex discovers time travel and meets Lily in an alternate future; they must work together to prevent Dr. Morgan from altering the course of history.

ACT 1

Alex invents a time-travel device and accidentally travels to an alternate future where he meets Lily.

ACT 2

Alex and Lily uncover Dr. Morgan's plans to change history for personal gain; they embark on a mission to stop him while falling in love with each other.

ACT 3

Alex and Lily confront Dr. Morgan, prevent the alteration of history, and save the future; they decide to stay together in the present timeline.

THEMES

Love transcends time, the importance of choice, and the consequences of altering history.
