

STAKEHOLDER ENGAGEMENT MAP

Address Concerns

Proactive Listening Sessions

Schedule regular forums where stakeholders can openly express concerns, ensuring their voices are heard, and fostering a culture of transparency and responsiveness

Define Engagement Strategies

Strategic Partnerships Program

Establish a tailored engagement program for high-interest, high-influence stakeholders, fostering collaborative initiatives and involving them in key decision-making processes

Communicate Effectively

Stakeholder-Centric Updates

Develop a communication plan that delivers customized updates to stakeholders, addressing their specific interests and expectations, enhancing engagement, and maintaining project transparency
