Beneficiary Information

Join us for a day of classic cars and compassion! Our Charity Car Show Fundraiser is not just about showcasing beautiful vehicles—it's about making a difference in our community. Every rev of an engine and every gleaming chrome surface will contribute to supporting the **Sunshine Children's Hospital**, ensuring that children in need receive the medical care and support they deserve. Bring your family and friends for a day of fun, philanthropy, and memorable moments. Together, we can drive change and make a positive impact!
